**To:** <eli.vonnegut@davispolk.com>

**Date** Today at 3:40 PM

Eli, this is JR Williams.

I am requesting a disclosure of Molly Christine Sackler's interest in Purdue Pharmaceuticals. I was her heir apparent before her death and would like a disclosure of holdings In Purdue Pharmaceuticals.

All briefs with evidence corresponding to her death should be filed with the second circuit. I will need an extension to produce evidence of my holdings.

I intend to file a motion requesting the disclosure of any holdings greater than ten percent in her corporation.

I am also interested in postponing any decision to restructure or final judgements until a wrongful death lawsuit is initiated in the state of Massachusetts with depositions conducted.

I would prefer a 180 day stay until we can produce evidence of Molly Christine Sackler's holdings and who they were conveyed to. I believe the outcome of this motion may prove that the corporation has shareholders that haven't been accounted for.

This will also give us a chance to prove organized crime's potential involvement in fraudulently obtaining shares in Purdue Pharmaceuticals.

Please Respond before Wednesday's judgement with any grounds for opposition to this motion.

Sincerely, JR Williams
